Installation temperature Tape [°C]	-5 to +40
Temperature resistance [°C]	-40 to +90

Product description

Screw and nail sealing tape for PAVATEX ADB. Prevents the ingress of moisture at nails or screws in the area of counter-battens.

You will find details on usage and installation guidelines in the sealing brochure.

Storage

Cool and dry, protected from sunshine.

PAVATEX system guarantee

The high-performance adhesion and gluing components used in the PAVATEX system solutions ensure long-lasting, reliable system sealing in modern, multifunctional building envelopes - now also guaranteed by the new PAVATEX warranty. It offers comprehensive service if damage occurs, and therefore once again increases security for designers, installers and builders.
